CA’ DI CICUL

Category: Cantine
business description: CA' DI CICUL - A unique name for a unique winery where you can find authentically artisanal wines, guaranteed to be top-quality.
It's not just a place of cultivation and winemaking, but of genuine passion for wine: a passion inspired by the air of the upper Monferrato, where our vineyards are located, and in particular by the hills of Strevi, rich in ancient and noble winemaking traditions.
Cà di Cicul's vineyards are located in the Bagnario Valley, where the finest Strevi wines are produced. In this fortunate area, as wine connoisseurs know, there are special areas of exceptional quality. This is due to a combination of predominantly tuff soil, excellent drainage, and exposure to a unique microclimate that allows for high sugar maturation and consistently optimal acidity and alcohol content.

The farm also offers accommodations at its namesake Bed & Breakfast, offering a warm and friendly atmosphere that will make you feel right at home. Enjoy a relaxing stay surrounded by vineyards and cherry trees.
